**ORDER**

In accordance with the United States Supreme Court's decision in *Dobbs v. Jackson Women's Health Org.*, 142 S. Ct. 2228 (2022), this Court's injunction preventing enforcement of Mississippi's 15-week abortion ban, *Jackson Women's Health Org. v. Currier*, 349 F. Supp. 3d 536 (S.D. Miss. 2018), is hereby vacated.

*Dobbs* also requires vacatur of this Court's injunction preventing enforcement of Mississippi's six-week abortion ban, *Jackson Women's Health Org. v. Dobbs*, 379 F. Supp. 3d 549 (S.D. Miss. 2019). Accordingly, that injunction too is vacated.

What remains of this suit is plaintiffs' challenge to Mississippi's laws and regulations targeting abortion procedures. See Docket No. 119. Because Jackson Women's Health Organization has closed its operations in Mississippi and moved out-of-state, the Court believes that this remaining legal challenge is moot.

If any party disagrees, they shall file something on the record within 14 days. Otherwise, this Court will issue a Final Judgment closing this matter.

**SO ORDERED**, this the 2nd day of September, 2022.
